Let All the Mothers Fetch

This Store As An Easter Egg

The little boy who believed in the force of example hung an immense ostrich egg up in front of his bantam hens and said:—
"Now do your best!"

This store will turn into an enormous Easter Egg next Wednesday and when all the mothers, and all the children who come will know without our telling you how many kinds of chicks have been hatched out here to go off as Easter gifts. You will see from the look of them at this CHILDREN'S DAY Easter celebration it was "doing its best" to have everybody satisfied with the special chick that goes to roost in his home.

SOCIAL

Successful Supper.

Quite a large sum was added to the treasury fund towards the Stonewall Jackson monument at the luncheon and supper given Saturday by the Stonewall Jackson chapter of the Daughters of the Confederacy in the Masonic temple.

The tables were decorated with spring flowers, the generous gifts of the city florist. Mrs. George C. Stone and members of the chapter were in charge and looked after the serving of the many guests who attended. Miss Freeman and Miss Robinson were cashiers and the luncheon and supper were in charge of Mrs. Harry W. Wade. Most attractive was the Easter table at which Mrs. Osman Swartz and Miss Bessie Bobbess looked after the ready sale of its dainty wares while at the flower table Mrs. Edward S. Wallis sold many charming corsage bouquets and buttonholes of violets.

Birthday Affair.

Easter decorations in favors, flowers and place cards, were attractively used at the birthday party given by Mrs. Wright Harding Saturday afternoon to celebrate the tenth birthday of her little daughter Grace in their home in Linden avenue. Music and various games were the amusements of the entertainment and at five o'clock refreshments were served to over twenty happy little guests.

Mrs. Harding was assisted by Mrs. Joseph Stark of Camden, N. J., Mrs. Floyd Shortle, Miss Shuttleworth and Miss Duthie. The young guest of honor was the recipient of many beautiful gifts.

Passes Issued.

Complimentary passes are being issued by the members of the Christian Endeavor Society of the First Presbyterian church which read:

Pretty Birthday Party.

Miss Louise Hedges in her home at 819 Clay street from 8 to 11 o'clock Friday evening entertained sixteen of her friends in celebration of her sixteenth anniversary. The table was artistically decorated in pink and sixteen pink candles and one extra for the next anniversary were stationed on it. Games of various kinds afforded much merriment and amusement. The occasion proved most delightful to all present.

Parsonage Marriage.

In the presence of a few friends the marriage of Miss Alice Coffman to Simmie J. Wolfe was solemnized in the parsonage of the First Methodist Episcopal church Saturday evening at eight o'clock, the Rev. George D. Smith, pastor of the church officiating. Mr. and Mrs. Wolfe will reside at No. 338 East Pike street.

Last Recital.

SHANNON

Denies Rumor That Pennsylvania-West Virginia League is Federal Proposition.

Rumors which have been circulated among the baseball fans the last few days to the effect that the Pennsylvania-West Virginia League is a Federal League proposition or that it is nothing more or less than a major league training ground was denied by Manager Hugh Shannon, of the local club, in an interview today with a representative of this paper.

Mr. Shannon said that the Pennsylvania-West Virginia League was under the protection of the National Association of Professional Baseball Leagues, which does away with the argument concerning the Federal proposition, and he further states that no National or American League team has given any strings on any of the teams in the league as far as he knows.

Man yof the teams have been fortunate in securing players from the teams in the Major leagues and this is thought to be the reason that the local fans are of the opinion that it was affiliated with the major leagues.

Mr. Shannon is an aggressive up-to-date baseball man, and promises to give the people of this city one of the best teams that ever represented it on the diamond. Furthermore he will give them the pleasure of seeing several major league teams play.

He has already signed the New York Giants for an exhibition game July 19, and has letters from Jake Stallings, of the Boston National League club, and "Jimmy" Callahan, of the Chicago White Sox, of the American League, offering him games, but the dates have not been arranged as yet.

Now that Mr. Shannon has showed his hand it is up to every true blue sport to bury their hammers and get on the band wagon and help him in every way possible, for it is a stated fact that he is here to stay, and will have a club near the top of the percent column at all times.

Representative Sutherland has been notified that the bid of A. M. Anderson to carry mail six days a week from Piekens to Hacker's Valley via Pembro, has been accepted. The contract starts April 1 and ends June 30, 1917. A bill to give a pension of \$38 a month to W. H. Malloy, of Horton, has been introduced by Mr. Sutherland.

Consult the Stove Doctor

Until Wednesday, April 1st, we shall have with us Prof. E. J. Stevenson, the stove expert, who has devoted his entire life to the study of stoves and cooking. Dozens of women have already called to tell him their stove troubles, and have been benefited.

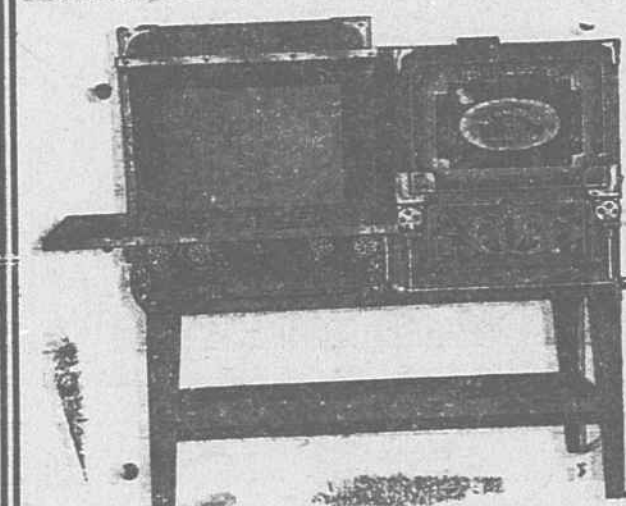

His Stove Knowledge is Absolutely Free

If your stove does not bake on the top, sides and bottom, call on our expert. He will gladly help you. Sometimes a very little adjustment will work wonders with a stove. Of course if yours is no longer serviceable, Prof. Stevenson will recommend a New Method Gas Range. This stove has eighteen exclusive features, eleven of which are patented.

Hear Prof. Stevenson's lectures on gas saving, get his recipes free, enjoy the delicacies which he is hourly serving, but above all see his famous

Walking Cake

which is now in the window. This cake was baked Monday in one of our own New Method Stoves. It is seventeen inches square and six inches high.

THE TABLE RANGE—ONE OF OUR POPULAR SELLERS.

If you want your stove troubles reduced to a minimum, if you want a handsome, rust-proof stove which never needs polish, and which bakes and broils perfectly and at the same time saves about 25 per cent in gas bills, buy the

NEW METHOD GAS RANGE

The guaranteed burners, the split oven doors, the movable shimmering burner, and the asbestos lining, which serves to retain all the heat, make this stove the most desirable on the market. Price \$11.25 up.

During these lectures and cooking demonstrations Prof. Stevenson will use the

GREENCASTLE KITCHEN CABINET

It will reduce the number of your daily steps, put your work at your finger's ends and provide a sanitary receptacle for your food.

The lower doors slide out of sight like a roll top desk. The glass sanitary sugar bin is fastened to the inside of the cabinet, not to a sagging door. No step ladder is necessary in filling the flour bin. It tilts to the table top. A handy ironing board is concealed underneath the top. Kitchen Cabinets at \$8.50, \$16.50 up to \$34.

Don't Miss the Big Sensation

Promptly at 3 o'clock Wednesday, April 1, Prof. Stevenson will place on his famous walking cake a wide plank and 25 women will walk and stand on the cake; a few minutes after the plank is removed the cake will commence to rise and will then be served to those present. Be on time.

Attention! Ladies

Demonstration and sale of the famous C. L. Sexton Human Hair Goods, by Miss Battenberg of Philadelphia, begins today at Parsons-Souders.
